

REQUEST FOR PROPOSALS

For Launching of Courier, Express Parcel & Logistics Services On Public Private Partnership (PPP) Modality

Pakistan Post is one of the oldest and the largest Federal Government institution providing vital domestic as well international postal and financial services through a network of 12085 post offices. The core strength of Pakistan Post is its domestic and international reach that spans to every single household in Pakistan and the world over, even in the remotest areas.

In pursuance to Prime Minister's Reforms Program, Pakistan Post intends to launch its courier, express parcel and logistics company in Public Private Partnership on Build Operate Transfer (BOT) basis that offers all the contemporary features to its customers and goes a step further in customer service, operational excellence and business development. The project is expected to optimize current courier and express parcel services of Pakistan Post, offer innovative products and services and add other revenue streams of supply chain and logistics management that cater to industry and corporate sector needs.

Pakistan Post intends to execute its courier, express parcel and logistics initiative in collaboration with local/overseas private sector partner to design, develop, finance, implement, operate and at the end of concessions period transfer the Project Assets to Pakistan Post. In this regard, Pakistan Post intends to issue Request For Proposal (RFP) for the Project to the technically qualified and financially capable parties to submit their technical and financial bids under single stage two envelope method. Project details along with evaluation criteria are provided in the RFP package.

In addition to the fresh bidders, the parties who have already shown their interest pursuant to the issuance of Expression of Interest are also entitled to submit their proposals through this advertisement and all interested parties can obtain RFP documents free of cost through a written request from the address given below on or after publication of this advertisement, or the same can be downloaded from websites of Pakistan Post (www.pakpost.gov.pk) or PPRA (www.ppra.org.pk).

The technical and financial bids as per the provisions of RFP should reach the address given below on or before March 30th, 2018 by 1030 hours. Technical bids will be opened on the same day at 1100 hours in the presence of bidders' representatives in the Committee Room, 2nd Floor, Headquarters Pakistan Post, G-8/4, Islamabad.
