

Dr. Athar Mansoor is the Country Director for Digital Government (Special Initiatives). He is currently looking after the US\$ 20.6 million project funded by the Korean EXIM Bank for digitalising the entire value chain at Pakistan Post. This project covers all the outlets across the country and aims to connect the first mile with the last mile in a seamless manner. The entire portfolio of services including the core, financial and agency services are covered by the project. Dr. Athar is also heading the project team implementing the International Financial System (IFS) for automating domestic and international money remittances in Pakistan. IFS is a key initiative for implementing Anti-Money Laundering and Combating the Financing of Terrorism in Pakistan. Dr. Athar holds a PhD in public policy from Hong Kong University of Science and Technology, MS in Management, Strategy and Leadership from Michigan State, Master of Public Policy from University of Sydney and Master in Public Administration from National University of Singapore.
